Junior Golf

June 6th – July 25th | 7:30am Thursdays

\$100 – Golfing Member
\$125 – Social Member

The Junior Golf Program is a great way to introduce golf to children and to help them develop their game while having fun! Golfers will be arranged into groups based on their ability and preference.

Upon filling out this form, please indicate what size shirt is required and the Pro Shop will order one for an **additional \$35**. Do not enter a size if you do not wish to receive a shirt. We do ask that at least one parent or grandparent attend Opening Day on June 6th and that all parents or grandparents walk with a Junior Golf group at least three times during the six-week program.

Professional/Parent Communication: We will use email communication for updates and information. It is imperative that we have an ACCURATE email address for each family. This is how we will communicate any changes or update to the schedule, pass on pertinent information, or answer any questions you may have. If the weather seems questionable the day of a clinic, we will be sending a notification via email /text on how we will be handling the situation. We will also use email to communicate where the clinics are being held on a certain day, reminders about registration for the awards banquet, etc. The emails will be generated from mikejaeger@columbiahillsgolf.com
