

GOLF MEMBERSHIP

This all-inclusive membership includes unlimited usage of the facility and all its amenities: golf, range, pool, clubhouse, dining, and social events. Membership extends to the spouse and children (ages 23 & under) living in the household.

The key distinction to this category is that the member's family will not be eligible to use the Club unless they are a guest of the single member under the same rules and restrictions currently in place for guests.

This all-inclusive membership includes anyone 39 years old & younger and their family. It mirrors the Family Membership in all ways. This membership may not be combined with any other package.

SOCIAL MEMBERSHIP

This membership includes unlimited usage of the facility and some amenities: pool, clubhouse, dining, and social events. Additionally, social members can use the golf course five times a year with driving range access all season. Membership extends to the spouse and children (ages 23 & under) living in the household.

CORPORATE / EXTENDED FAMILY MEMBERSHIP

Corporations or extended family with as few as two designated GOLF members can participate in this membership program. To determine what qualifies as a corporate or extended family membership please contact our Membership Director for more information. The Commencement Fee is waived for all members under the Corporate / Extended Family Membership and a reduced quarterly food minimum for all members.

The Corporate Member

Individuals under a Corporate Membership enjoy the same benefits as family and single golf members (listed above) at a discounted price. Discounted Social Memberships are also available.

2 people – 10% off | 3 people – 15% off | 4 people – 20% off | 5 or more people – 25% off

Extended Family Membership

Our extended family membership is designed for those family members who do not live in the same household of an existing member. Pricing mirrors that of our corporate membership (listed above).
