## Fourth of July Couples' Event

July 4<sup>th</sup> | 1:00-3:00pm Tee Times

\$40 Per Couple

Celebrate our Independence Day with a friendly golf event for couples! Just how far can you go?

We will combine both players' handicaps then add the course par for each player to create a combined "target" score prior to tee off. Each couple will receive a flag with their "target" score on it. Wherever that final stroke lands for their "target" score is where the flag will be placed. The furthest around the course gets all of the fireworks!

You may sign up with another couple or sign up as an individual couple and the Pro Shop will pair you.

- **Format:** Target score, furthest around the course
- **Time:** 1:00pm-3:00pm Tee Times (10-minute tee time intervals)
- **Cost:** \$40 Per Couple
- **Eligible:** All Golfing Members & Corporate Members
