The Junior Golf Program is a great way to introduce golf to children and to help them develop their game while having fun! Golfers will be arranged into groups based on their ability and preference.

Upon filling out this form, please indicate what size shirt is required and the Pro Shop will order one for an **additional \$35**. **Do not enter a size if you do not wish to receive a shirt.** We do ask that at least one parent or grandparent attend Opening Day on June 6th and that all parents or grandparents walk with a Junior Golf group at least three times during the six-week program.

Professional/Parent Communication: We will use our mobile text messaging / email to communicate any changes or update to the schedule, pass on pertinent information, or answer any questions you may have. If the weather seems questionable the day of a clinic, we will be sending a notification via text on how we will be handling the situation.
