This onetime fee is only collected at the time of membership acceptance and is not charged in years to follow assuming that all dues and monies owed are up to date as of March 31st.

DUES

- All memberships carry annual dues that are paid monthly from April thru March. Each membership renews on April 1st unless otherwise notified. If a member is to join during the year, the member is responsible for dues from the day they join, until March 31st of the following year.
