

Welcome to Columbia Hills Golf and Swim Club!

I am delighted to introduce you to the Columbia Hills Women's Golf Association. The CHWGA is an energetic and diverse group of over 90 women, representing a wide range of golf experience and life stages. Whether you're new to the game and enjoy learning in a friendly, social setting, or a seasoned golfer seeking competitive opportunities, there is something for everyone. While golf is what brings us together, it's the friendships we form and the fun we share—both on and off the course—that truly make our group special.

One of the highlights of our association is our monthly "Whack-n-Snack" events. These casual gatherings bring together golfers of all skill levels to socialize, share some laughs, and, of course, play golf. They're a great way to try new things, build confidence, and improve your game while enjoying the camaraderie of fellow female golfers.

In addition to the casual Whack-n-Snack events, we organize a variety of tournaments throughout the year. These provide opportunities to showcase your skills, compete with fellow members, and most importantly, have fun. From season-long individual and partner competitions to weekly 9- and 18-hole league play, as well as special events like Member-Member, Sadie Hawkins, Solheim and Guest Day, there is always a chance to spend time with fellow members and enjoy our beautiful golf club.

As CHWGA members, we are dedicated to promoting women's golf, fostering friendships, and creating memorable experiences on and off the course. If you would like to learn more about CHWGA membership, please contact me at **440-263-5465**. I am confident that joining our association will not only enhance your golfing experience, but also connect you with a supportive and welcoming community of friends.

Warm regards,

Ronda Kasian

President, Columbia Hills Women's Golf Association
